TO HOLD PIG SHOW AGRICULTURAL DAY

MARYVILLE BOYS' AND GIRLS' PIG CLUB TO ENTER 17 HOGS

TENTS TO OPEN 10 A. M.

Instead Of 8 O'Clock As Formerly Planned—Gives More Time To Arrange Exhibits

On Agricultural Day, next Thursday of the Maryville Fall Fiesta and Exposition, the tents, in which the agricultural displays will be exhibited, will be opened at 10 o'clock in the morning instead of 8 o'clock as was formerly planned. The extra two hours will allow the teachers to devote more time for the arrangements of the exhibits.

On the same day more than 200 head of hogs of all breeds will be exhibited by the various hog fanciers in Nodaway County.

The Maryville Chamber of Commerce will furnish to the hog exhibitors free pens and straw. There will be no competition for premiums by the breeders of the county but the 200 head of hogs will be displayed for exhibition only.

The Maryville Boys' and Girls' Pig Club will enter market gilts and barrows in a competitive show on Agricultural Day.

The boys and girls who will enter their pigs in the show are:

Robert, Alice and Margaret Komer, and Robert Porter, who will display Chester Whites.

Duroc Jerseys will be entered by Homer Ogden, Kenneth and Roland Evans.

Walter Dow will exhibit Poland China pigs.

Lester Hull and Evely Hull are arranging to enter Hampshires.

Premiums will be awarded to the winners on the best market gilts and market barrows.

The total number of market gilts and barrows that will be brought to the pig show by the girls and boys of the Maryville Pig Club is seventeen.

The parties to the case of Mary J. Combs vs. the estate of George W. Workman, deceased, came to a compromise settlement in Probate Court yesterday before Jesse F. Robertson. Mary Combs, who was asking for $3,600, was awarded $2,250.

Cook & McCaffery were attorneys for the plaintiff and A. F. Harvey and Fred Wolfers defended the estate. Members of the jury were: E. F. Wolfert, Joe Fogan, James Murray, A. L. Nash, Charles Eckert, Joseph D. Thompson, John Z. Curnutt, James W. Thompson, W. H. Blackford, Dan Stundon, William Doffing and Robert Jones.

Missing Boy Found Hanging to Tree

Hagerstown, Md., Sept. 28.—Richard Miller, 14, who had been missing from his house here for several days, was found hanging to a tree this afternoon.

The state attorney ordered an immediate autopsy. The body revealed no signs of injury that could have been self-inflicted. Police believe that it was not a suicide.

Witness in Stokes Case Attempts Suicide

Chicago, Sept. 28. — Confronted by evidence which linked his name with several others in an alleged conspiracy to defame the name of Mrs. Helen E. Stokes, Robert Lee, a former negro deputy sheriff and one of the principal witnesses in the grand jury investigation, attempted to leap to his death from the fifth floor of the county building here today.

Lee's attempt was made after a former "pal" testified that Lee offered him $1,500 to sign an affidavit defaming the character of Mrs. Stokes. This was to be followed, the witness testified, by a compensation of $10 a day during the divorce trial in New York.

"I was sick and tired of it and wanted to end the whole thing," Lee said.

HARDING PROPOSAL MAY BE ABANDONED

RAILROAD CONSOLIDATION PLAN MEETS WITH OPPOSITION.

OPPOSED BY ALL CLASSES

Farm Organizations Contend That Regional Consolidation Would Not Reduce Freight Rates.

(Copyright 1923 International News.)

Washington, Sept. 28.—The Coolidge administration virtually has decided to repeal the "guaranty clause" of the transportation act as a means of bringing about general reduction of freight rates next year, it was learned here today.

This plan will be substituted by President Coolidge in the next Congress for the compulsory railroad consolidation program advocated by the late President Harding, according to reliable authority.

The Coolidge proposal will probably include restoration to the interstate commerce commission the rate-fixing power held prior to the government operation of the railroads.

Although the compulsory consolidation program has been worked upon by government agencies for a year, the plan has met a veritable storm of opposition, not only by railroad executives but from legislators and representatives of farm organizations as well.

This opposition, started when the plan was first proposed, has caused President Coolidge to definitely side track it in favor of a more acceptable program.

Services for Wm. Carter Postponed

Funeral services for William Carter of Burlington Junction which were announced for this afternoon, have been postponed indefinitely pending the arrival of a son, Dr. J. J. Carter of Los Angles, Cal., and a daughter, Mrs. Mary Wark of Vancouver, B. C. Mr. Carter was one of the pioneers of the Burlington Junction vicinity and he died Wednesday night at the home of his son, Elihu Carter, near there.

Governors May Meet with President Coolidge

Washington, Sept. 28. — President Coolidge today put it up to the governors of the several states to decide for themselves when they will come to Washington for a conference on prohibition and other law enforcement problems.

Mrs. E. D. Hackett of Pickering was a Maryville visitor today.

BEARCATS START TO PERU TODAY

TWENTY MEN LEFT THIS AFTERNOON—MORE LEAVE TOMORROW

PERU IS TEST GAME

Will See How Men Show Up Under Fire—Pep Assembly Held At College This Morning

The Bear Cats are off for the first game with a squad that big things are expected of. For three weeks the men have been working hard under signal drills, scrimmage and skull practice and all are in the best of condition.

H. Frank Lawrence, Coach, said in making a statement concerning tomorrows game, "Tell them, that as for me and the Bear Cat squad, we will say ours tomorrow on the gridiron. I would rather deliver the goods and then prophesy than to predict ahead of time."

The game is a non-conference game and while the Bear Cats wish to annex it to their string of victories it will be used more as a test to determine what each man can do under fire.

This afternoon at 1 o'clock twenty men under the charge of Coach Lawrence left Maryville to invade the hostile territory of Peru, Neb. A reserve force of the remaining members of the squad will follow in the College bus tomorrow morning.

Yesterday evening the Bear Cats practiced passing and punting for the most part. All of the members of the crew are in good condition and none are suffering from injuries that will keep them out of the game. Following the areal workout a skull practice was held by the coach and the final instructions given the men who will represent the S. T. C. in the fray tomorrow.

Coach Lawrence picked twenty men to make the trip this afternoon but made it plain that these men did not compose the first squad. He stated that there would be no first squad until later in the season. All of the other members of the squad will leave in the morning under the supervision of Sam England.

The twenty men picked to make the trip are as follows: Crane, Kirby, center; Graham, Hartman, Palmer, guards; Akars, Richards, Hayes, tackles; Young, Allen, Thompson, Hay, ends; Masters, Eads, Mowry at quarter-back, Wilson, O'Banion, Steiger, halfbacks, and Foreman and Pittman at full-back.

Ashcroft, Davenport, Cox, Stone, Peoples, Barclay, Bare, Fowler, Akars, Estes and England will make the trip tomorrow morning.

Edward W. Cochrane, Sports editor of the Kansas City Post will officiate the game. Cochrane is one of the men who pick the state All-star team after the season is over.

The Democrat-Forum has made arrangements with Coach Lawrence for a telegram concerning the game as soon as it is finished. The report can be had by calling the Forum late Saturday afternoon.

A pep assembly was held at 11 o'clock this morning and the football men were given a rousing send-off. This was the first pep assembly held this fall at the College but the students responded to yells and songs that made the halls rings. Mabel Raines, Juantia Brock and Richard Runyan acted as yell leaders.

After the students' part different members of the faculty gave short pep talks to the student body. President Lamkin, H. W. Leech, Dr. Fred Keller, the Rev. J. A. Cooper and H.

The Honig-Cooper Advertising Agency some time ago decided in the interest of the California Prune and Apricot Growers Association that the Democrat-Forum was the best advertising medium they could use to cover Northwest Missouri with a campaign for the merchandising of APRICOTS.

In this issue of the Democrat-Forum appears the first advertisement of the campaign. This advertisement tells the readers of the Democrat-Forum of the wonderful opportunity of getting a 25 lb box of California Apricots for the low price of $3.67. The ad also tells them where in Nodaway County these boxes will be on sale.

The advertising campaign and this special sale on Apricots will only last the next eight days.

Release West of the Water Tower Soon

Famous Laskey Players Set Date on November 1st.—May McAvoy Stars in Film.

The announcement was made in the Release magazine of the Famous Laskey-Players Corporation of the release of "West of the Water Tower." The screen version is adopted from Homer Croy's novel, "West of the Water Tower."

The magazine said that the present day demand throughout the country is for higher class pictures. On this account nothing was spared from making "West of the Water Tower" a success.

MAY McAVOY

Who plays the part of Bee Chew in film of "West of the Water Tower."

The picture stars Glenn Hunter and May McAvoy. They are supported by such noted actors as Ernest Torrencel George Fawcett and Zasu Pitts.

On the picture of the border advertising the release is the picture of the original water tower. This is a true picture of the water tower of Maryville as it now stands.

Davis Says Coolidge Will be Nominated

Assistant Secretary of War Says President Has Keen Insight In Handling of Big Problems

Kansas City, Sept. 28—President Calvin Coolidge will be nominated at the Republican conventio napparently with little opposition, Col. Dwight F. Davis, assistant Secretary of War predicted here today.

"Not only has President Coolidge won wide support by his decision to carry out the policies of the late President Harding, but he has established himself in all quarters by keen insight in the handling of big national questions," Davis said.

The assistant secretary of War denied that his presence here had anything to do with politics. He will speak at a reunion of the 35th Division to be held in Excelsior Springs tomorrow.

Raiders Smash Store Windows and Escape

Attack Was Made in Certain Business Houses Advertising as "100 Per Cent Americans."

Indianapolis, Sept. 28.—Broken glass, smashed and paint smeared show windows were left in the trail of raiders here today who made a round of the business district, attacking stores which had advertised as "100 per cent Americans."

Six places were visited. Police-sergeant Cummings, fired four shots at the raiders but failed to stop them.

London, Sept. 28—American destroyers now on duty in Turkish waters will be withdrawn Monday, said a dispatch from Constantinople received here this afternoon.

NEXT WEEK TIME FOR SOWING WHEAT

HESSIAN FLY WILL NOT BE PRESENT IN GRAIN SOWN LATE

CONDUCT EXPERIMENTS

Wheat, Sown Before October 1, Will Show Presence Of Fly Next Spring, Kinnaird Says

R. A. Kinnaird, county farm agent, Otis Wade of the extension department of the College of Agriculture of the University of Missouri, and W. W. Stanfield of the State Teachers College, have been making an investigation of the Hessian fly situation in Nodaway County.

The experiments showed a regular emergence of the fly as in normal years. A quantity of wheat stubble has been placed in a box and the date of birth of Hessian flies noted. The observations were checked up with observations in the field itself.

The flies have been hatching out regularly during the last week, Mr. Kinnaird said this morning that if the weather continues warm, with some moisture as at present, practically all of the flies should be out within the next few days.

If this emergence continues steadily, as is indicated now, the county farm agent said that it should be safe for the farmer to begin sowing next Monday, October 1. At any rate, there will be little if any serious infestation this fall on wheat sowed next week. The flies live only a few days after they emerge and practically all of the fall brood will be dead before the wheat sowed next week comes up, Mr. Kinnaird said.

Any seeding done earlier than this will involve considerable risk. October 1 is the fly-free date for the northern tier of counties in Missouri, as established after several years of observation. Observations this year verify the safeness of this date.

Mr. Kinnaird said that any wheat sown in September in this section is almost sure to be infested with the fly and will be a serious menace next spring to the wheat of those farmers who put their wheat in before the fly-free date this fall. Another common source of spring infestation is volunteer wheat which carries the fly through the winter.

A great deal of volunteer wheat is in evidence in this section of the state, Mr. Kinnaird said. A thorough job of destruction of all these volunteer plants should be done as promptly as possible, except where the stubble is in grass or clover.

Show Calves Should be Brought Here Thursday

Will Be Sent To St. Joseph Following Judging On Agricultural Day, Fall Fiesta

The members of the Baby Beef Club that are going to exhibit stock here next Friday are urged by R. A. Kinnaird, county agent, to bring the cattle to Maryville on Thursday evening. This will enable arrangements of the catile in pens so the judging can be made in the morning the following day. Harry Messick of Bolckow, who judged the cattle last year, will make the placings this year. In the afternoon the calves will be on exhibit.

The stock will be shipped to St. Joseph Saturday morning to be entered in the district show there that will be held the following week. The stock will be judged there Monday morning. The show will open Tuesday afternoon and the cattle will be placed on auction sale at 2 o'clock Wednesday afternoon, October 17.

The three highest point winners in judging cattle here of the Baby Beef Club will be sent to St. Joseph to compete there.

School Pictures to Be Shown at Wilcox

Motion pictures of Nodaway County Schools will be shown tonight by Rolph Marcell at the Odd Fellows Hall in Wilcox. The feature of the occasion is a big box supper to which everybody is invited. William Osborne will auction off the boxes. The proceeds will go for the benefit of the school.

Gives Best Road to Travel to Peru

Numerous inquiries have been made concerning the best road to take to get to Peru. H. L. Raines says that he has been over the route several times this summer and finds the best way via the following towns: Take road No. 18 to Tarkio, thirty-five miles; from Tarkio to Rock Port, ten miles, from there to Langdon, seven miles and then to Ospirn Wall Ferry, where you cross the Missouri river. Then you travel fourteen miles northwest to Peru.

H. L. Lawrence, coach, left this afternoon and will phone President Uel Lamkin if the road is in bad condition.

Mr. Raines and President Lamkin and their families plan to leave tomorrow morning for Peru. They plan to take a picnic dinner with them.

Several other people have signified their intentions of leaving in the morning to see the first S. T. C. game this year.

75 ARE DROWNED IN C. B. & Q. WRECK

TRAIN NO. 30 PLUNGES INTO WYOMING CREEK.

15 MILES EAST OF CASPER

Occupants of Denver Sleeper are Rescued—Scores of Workmen Removes Bodies of Cars.

Denver, Colo., Sept. 28—The wreck of the Burlington passenger train near Casper, Wyo., has been greatly exaggerated, according to L. C. McBride, assistant superintendent of that road, with headquarters here.

He declared that his report placed the dead at not more than twenty. This statement was in direct conflict with the reports from railroad employes in Casper.

Casper, Wyo., Sept. 28.—At least seventy-seven persons were believed to have been drowned in the wreck of the Chicago, Burlington and Quincy passenger train No. 30 which plunged off a bridge into Cold Creek at Lockett, fifteen miles east of Casper late last night.

At eight o'clock this morning, officials of the Burlington estimated that between 115 and 120 passengers were on the train at Casper at 8:35 o'clock last night.

Twenty-eight occupants of the Denver sleeper, which remained upright and was in about three feet of water, were rescued. Some passengers were taken to Glenn Rock and some to this city. At 8 o'clock this morning, it was believed that all of the remaining passengers in the submerged cars were drowned and scores of workmen were making every effort to remove the bodies.

Declares Bulgarie is Appealing to America

Rouseff Says American Influence Is Desired To Prevent War in Balkans—Revolution "Put Down."

Sofia, Sept. 28.—Minister of Interoir Rouseff today declared Bulgaria was appealing to American public opinion to prevent war in the Balkans.

The communist revolution in Bulgaria has been "put down," said the minister.

"Our chief fear now is invasion by Jugo-Slavia. We are hopeful that American influence will prevent a clash," he said.

It is officially revealed that there were no Americans in the passenger train which was captured by the rebels.

Newton, Kan., Facing Crisis as Rivers Rise

Water Reservoir Empty, Power Plant Partially Destroyed and Two Streams Are Bankfull

Newton, Kan., Sept. 28—Newton today faces a crisis with its water reservoir empty, power partially destroyed, and water from streams on two sides of the town at flood stage and still rising, following Wednesday's storm.

The Little Arkansas is overflowing its banks at some points. Many persons, living on the lowlands, have abandoned their homes.

Verne Alderman of Akron, O., arrived in Maryville yesterday to visit his father, Judge Ira K. Alderman, who is in the St. Francis Hospital. Judge Alderman's condition is about the same.

OKLA. COMMANDERS LEAVE FOR HOMES

REPORTED WALTON WOULD RESCIND MARTIAL LAW

A PETITION REHEARING

Case Involving October 2, Is Filed In Supreme Court This Afternoon By Governor's Orders

Oklahoma City, Sept. 28—Col. W. S. Key in command of the military forces in Oklahoma and Col. J. D. Sledge were relieved from duty this afternoon and left for their homes.

A report was current here this afternoon that Governor Walton would soon rescind his military law proclamation, probably before midnight tonight. At the Governor's home, he refused to see newspaper men or comment on the report.

By direction of the Governor, a petition for rehearing of the case involving October 2, was filed in the Supreme Court this afternoon. The court was expected to hear the arguments immediately.

Oklahoma City, Okla., Sept. 28—The Supreme Court justices, after a conference today, decided to defer consideration of the legal technicalities standing in the way of a special election October 2, until the entire court of seven justices is present sometime tomorrow.

Simultaneously, it was reported that Governor Walton was planning to block the special election next Tuesday on initiative petition No. 79, which provides for an amendment to the Constitution permitting the legislature to convene by a majority call. It is the technicality on this petition that the Supreme Court must clear up before the election is held.

The Governor, who used the military to prevent the legislature from assemblying for the purpose of impeaching him, is expected to oppose the election on the contention that his proclamation calling for a vote October 2 on five propositions did not include the legislature proposal. The proposal was initiated by Campbell Russell, former corporation counsel.

Oklahoma City, Okla. Sept. 28—Oklahoma's political rodeo took a new turn late yesterday. With militia and gunmen on the sidelines, the center of the turmoil became legal and two solutions of the "war," both peacable, were in sight. Unless Governor Walton decides that an election connot be held under martial law, the people will vote next Tuesday in special election on whether the legislature may assemble without call of the governor.

On the same day, again provided that Governor Walton does not interfere, arguments will be heard before Judge J. I. Phelps in district court on the petition for injunction filed late yesterday by sixty-seven legislators against Adjutant General B. H. Markham.

The ballot box and the supreme court loom as the final arbiters, instead of the bullets of the frontier days, with "constitutional guaranties" looming a menace to Walton.

Lower Court Reversed

The special election is made possible by the decision of the supreme court yesterday reversing the lower court, which had forbidden the election. Should the measure carry, it would be an invitation from the people to have their representatives impeach the governor. He could hardly ignore that mandate. If the measure fails, it will be a vistory for his policy his klan issue and his martial law methods.

Soldiers' bonus and several other initiative measures will also be voted upon. The initiative measure providing for the right of the legislature to assemble itself was the result of efforts of Campbell Russell, former corporation commissioner, who has been arrested twice during the recent turmoil, both times for circulating cartoons ridiculing Governor Walton.

Henry Comer and Mr. and Mrs. Martin Comer of Parnell were shopping in Maryville today.

THE WEATHER

Partly overcast tonight and Saturday with probably local thunderstorms; somewhat cooler in the northwest portion tonight and in the north portion Saturday.

The more energy we
Waste in talking the
Less we will have
To use in making good.

All of us appreciate hard facts when they come to us in the shape of silver dollars.

We bet the average motion picture producer would do a lot of squirming if he had to pay his stars anything like his press agents say they get.

Why is it that neighbors have such a hard time attending to their own business?

There are more good looking stenographers than there are champion spellers.

What we can't understand is why young people must be told they must not do the things their parents did at their age?

Wonder what men would do if they did not have wives to tell them when to change their shirts and when to have their suit pressed!

Uncle Abner, the town philosopher, says it is no trouble to talk philosophically when the other fellows pay the freight.

What has become of the village blacksmith who used to sing in the choir on Sunday? He runs a garage now and plays golf at the country club on Sunday.

A cynical bachelor says you often can tie a man's hands but it is different with a woman's tongue.

Light colored felt hats with dark bands are the thing for the young bounders, a salesman friend at the haberdasherry tells us.

Louise, the stenographer, says, it often happens that when we get what we want we discover that we wanted something else.

We read the other day that the authors of that "No Banana" song had cleaned up $85,000 in royalties. The country could well afford to pay them another like sum to withdraw the song from circulation.

Do you suppose there will be any loafers when the four hour day comes in?

Fashion note says ears are coming back in style. Wonder if it will not be safe to tell secrets then!

Judging from the attitude of the average son and daughter one often wonders if that commandment about children obeying their parents was not slightly twisted in translation and should have told parents to obey their children.

The average superstout would rather be weighed and found wanting than to be weighed and found gaining.

The average woman feels sorry for a man who gets into trouble so long as he is not her husband.

In father's day they used to have people who did not trust banks and buried their money in a tin can in the back yard. In son's day they have people who do not trust banks and who hand their money over to the stock salesmen.

Vagrant Musings.

A lot of us would be surprised if the living the world owes us did not turn out so good as we would like.

Although we seldom hear that expression, "Go Way Back and Sit Down," there are a lot of people to whom we would like to address it.

You can rest assured that bobbed hair is going to be in style until the locks grow out again.

The average girl is so clever at making love that it seems to him that he is doing it.

It seems to be the weakness of the most of us that we don't want to work with our hands.

George Crowson of Chicago and Eugene Crowson of Glenwood, Iowa visited last Sunday at the home of their parents, Dr. and Mrs. E. L. Crowson.

Other guests at the Crowson home that day were Miss Florence Nesbitt of Chicago and Mrs. Ethel Ickenberry of Tucson, Arizona, sisters of Mrs. Crowson.

George Crowson and Miss Nesbitt returned to Chicago Sunday evening while Mrs. Ickenberry remained until Wednesday when she and Mrs. Crowson went to St. Joseph to visit relatives.

Dr. E. L. Crowson arrived home Thursday evening from Rochester, Minn., where he underwent an operation about two weeks since. He was accompanied from St. Joseph by Mrs. Crowson who was there visiting.

Mr. and Mrs. Ed McKee returned last Saturday evening from Rochester Minn., where Mr. McKee has been taking treatment at the Mayo Hospital for the past month.

The first number of the Lyceum Course which is being sponsored by the Live Wire class of the Christian Church was given by the American Trio of the Columbia Lyceum Bureau on Thursday evening. The program was good and deserved a larger hearing than it had.

Sanford E. Jones has been laid up this week by an infection in one of his fingers. He had it lanced on Wednesday and thinks it will soon be well.

Mr. and Mrs. Leslie Moore and son Doyle of Mozingo Valley vicinity returned last Sunday from a four weeks trip to Ontario Canada where they visited relatives of Mr. Moore. They also visited at Buffalo, New York, Niagara Falls and other places of interest while away.

Mr. and Mrs. W. H. Hull of Council Bluffs, Iowa visited last Sunday at the home of Mr. and Mrs. C. E. Hull of this place. The Misters Hull are brothers.

Mr. and Mrs. T. J. Regnor of St. Joseph visited the first of the week with Mrs. Regnor's mother, Mrs. J. A. Wiley at the W. P. Scott home north of town and with other relatives here.

Rev. C. A. Knouse and family, drove to Plattsburg, Monday where Mrs. Knouse and children will visit at the home of her parents while Mr. Knouse is attending the District Convention of Christian Churches at Trenton this week.

Miss Blanche Hinton left Thursday afternoon for Los Angeles, California where she expects to spend the winter.

Mr. and Mrs. R. B. Oliphant accompanied by Mr. and Mrs. I. O. Oliphant of Gilman City started Thursday afternoon for Grant, Nebraska where they will visit two brothers and two sisters of Mr. Oliphant. They will be gone a week or ten days.

Mr. and Mrs. Alvin Gray went to St. Joseph the first of the week to look at a farm they are thinking of renting. They did not complete the deal but may yet decide to rent the place.

Mr. and Mrs. John Bosch are moving this week from the Irvin Loch farm, northeast of town to the farm belonging to Mrs. Morford, southeast of town, which they have leased for next year. The Loch farm will be occupied by Mr. Loch and family next year.

School Notes

The boys basket ball team will play the Ravenwood team here Friday, September 28. They played the Xenia team on Wednesday evening after school.

The field trip planned by the class in agriculture for Thursday afternoon was postponed on account of the rain on Wednesday night.

The Physical Geography class is having some very interesting times studying rocks and expect to do some field work soon.

The girls are practicing basket ball and have prospects of getting up a good team.

Mr. Charles Withrow a representative of the Alea-Bacon Publishing Co. was a high school visitor Tuesday morning.

The Jesse Green family have moved from the Burks place south of town to St. Joseph. This caused a loss of two pupils in the Intermediate room and three in the Primary room.

The entire school attended the funeral of Charlene Hood which was held at the M. E. Church Tuesday afternoon. Charlene was a great favorite among her school mates and will be greatly missed from the activities of the school.

Charlene Virginia Hood was born in Nodaway County, Jan. 7, 1914 and departed this life Sept. 20, 1923 aged 9 years, 8 months and 13 days. She leaves beside her parents, two brothers, John and Donnis who are both at home. She was of a bright cheery disposition and a great favorite with her associates. She was in the fifth grade in her school work and entered heartily into the activities of school life, being mascot for the grade basket ball team for the past two years. She will be greatly missed in the home, the school and community.

The ladies served the lunches at the sales of George Neal and Ernest Thull this week and were well patronized at both places.

Methodist Church

The W. F. M. S. will meet Thursday, Oct. 4 with Mrs. Ed Wiley south west of town. If the weather should be bad the ladies will meet with Mrs. C. A. Wolfers instead.

The Wesleyans had a very fine meeting at the church Wednesday evening. After a literary program and a business session devoted to planning for the coming bazaar an elegant mock supper was served by the refreshment committee. There were 40 present and all boosters for a church basement.

The Church Boards held a joint meeting Tuesday evening to organize for the year's work. There were 20 present, the majority being members of both boards. A. H. King was reelected Sunday School Superintendent with Prof. Geyer as assistant. Forrest Smith was chosen secretary and Raymond Houston, assistant. Mrs. Walter Johnson was reelected treasurer and Josie Saddler, librarian. Mildred Geyer and Mildred Wilson were chosen pianists and Donald Johnson was elected organist for the Primary Department. The following departmental heads were also chosen: Primary, Mrs. Maude Johnson with Tressie King as assistant; Home Department, Mrs. Laura Watson; Cradle Roll, Mrs. Shell Garten; Missionary, Mrs. J. N. Geyer; Temperance, Mrs. A. A. Ingels. The treasurer's report showed last year's deficiency wiped out, all bills paid and a nice ballance in the Treasury. We are looking forward to a fine year of work in the Sunday school.

The Official Board organized by the election of Prof. J. N. Geyer as Chairman, Mrs. A. A. Ingels as Financial Secretary and Treasurer and Irvin Loch as Benevolent Treasurer.

The pastor will preach at Myrtle Tree Sunday morning and at Pickering Sunday evening. The Sunday School Board will meet for the confirmation of teachers after church Sunday evening. Prayer meeting Thursday evenings.

Buy Your Tires from a Firestone DEALER

At the Latest Prices—The Lowest in History

You will find the Firestone Dealer one of the stable business men of your community. He offers a clean, fresh stock, backed by a well organized service. He wants you as a permanent customer.

That is the reason he sells Firestone tires. He knows and has plenty of proof that they are the best tires on the market. He can give you the greatest value and thereby retain your trade for years.

Every day you find new proof of this unequalled value. On the 15th of this month, Firestone Tires set two new dirt track records at Syracuse when Tommy Milton slid around four turns at every mile and covered the 100 miles in 75 minutes, 33 hundredths seconds. He also established a new world's record for one mile by covering it in 42 and 28 hundredths seconds. The next four cars to finish were also equipped with Firestone Gum-Dipped Cords. Each one of them went the entire race without a stop. This and every other important race this year was won on Firestone Gum-Dipped Cords and Steam-Welded Tubes. Such performance gives you conclusive proof of their strength and durability.

Not only do race drivers use Firestone Tires as protection to their lives and the surest way to victory, but the largest tire buyers in the world insist on and buy Firestone Tires for economy and service. These buyers include the leading car manufacturers, the biggest commercial car operators and the taxicab and motorbus operators. 57,639,714 tire miles were sold to taxicab and motorbus operators in the month of August.

Think this over. You cannot afford to accept anything less than Firestone service and economy. You can buy this service and economy from any of the dealers listed below.

By Using An

ELECTRIC Range

The electric range eleminates guesswork, uncertainty, and watching from cooking. You cook by clock and thermometer with cooking chart and temperature instead of experience. It is a sure method of perfect results.

Consider its many advantages; its convenience, efficiency, and cleanliness. The Electric Range eliminates all soot, ashes and disagreeable odors. Its cost of operation compares favorably with any method of cooking.

During Maryville's Fall Fiesta we will have a demonstration of Electric Ranges, at our salesroom. Investigate electric cooking even though you do not contemplate the purchase of a range at present.

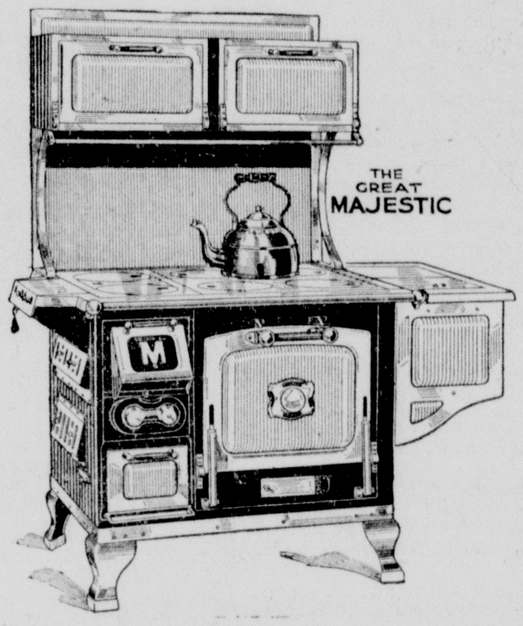
The New Majestic Range

The Range with the Reputation



The Range with the Reputation

The old reliable MAJESTIC "the range with the reputation," the product of years of satisfactory service and carrying the endorsement of over a million householders, has been carried to the point in design where it well deserves the title of the most beautiful range in the world.

Nothing has been left undone that would add to its service or its good looks. When you see it we are confident that you will agree that the NEW MAJESTIC is the most practical as well as the best looking range ever offered.

All rivets, bolt heads, knobs and catches have been eliminated an exclusive feature that gives an artistic and sanitary appearance.

All of the original features that have made the GREAT MAJESTIC peerless among ranges have been retained. The perfect baking oven, the body of rust resisting Majestic Charcoal iron, the all copper reservior, the rivet-tight construction still makes it the best, and in the long run of service the cheapest range money can buy.

Mr. Allen, a factory representative, will demonstrate the NEW MAJESTIC in our store during the week of OCTOBER 1 to 6. Majestic cooking utensils given FREE during this sale.

Party for Students.

Five hundred students attended the party given last night by the faculty of the State Teachers College at the College. The affair is given annually for the student body. Tags were distributed to the students upon arrival and names and home addresses were written on these. In the receiving line in the upper hall were President and Mrs. Uel W. Lamkin, Mr. and Mrs. William F. Phares, and members of the faculty. The grand procesion was led by Mr. and Mrs. Lamkin and Mr. and Mrs. Bert Cooper and after a march through the hall and adjacent rooms dispersed in the library, where a program was given. Homer T. Phillips announced the program and introduced the speakers. Prof. Harry A. Miller gave several humorous readings and three dances were given by members of Miss Mary MacLeod's class in esthetic dancing. Miss Gladys New and Miss Mary Busby gave the "Skater's Waltz," and a group dance was given by Misses Pauline Hardwick, Nell Castle, Mildred Garten, Ruth Patton, Nellie Williams, Edith Shoemaker, Anna May Holt and Agnes Funkhauser. The concluding number was a solo dance by Agnes Funkhauser. Punch was served by the women in the faculty at three tables placed at points of vantage in the library. The rest of the evening was spent in "getting acquainted" and dancing. An orchestra of ten pieces under the direction of William Larson played at intervals dhring the evening.

L. C. Montgomery to Be at Christian Church

You heard some fine messages from E. P. Taggart last Sunday, according to some who were present, and also had a splendid increase in Sunday School. Next Sunday L. C. Montgomery will be the preacher for both the morning and night service. You will not be disappointed in him, either, for he is a man full of energy and a determination to do his level best to see this campaign put over in the very best of shape. Let's all be there and get acquainted with him.

Replies to Letters Written by Wilson

Knoxville, Tenn., Sept. 28.—Senator John K. Fields, replied formally today to letters he said were written by former President Wilson in connection with his record in the Senate.

Fields declared he had supported all Democratic principles and all of the former executive's efforts in the Senate, except the League of Nations, which, he said, he did not believe best for the people.

Gilbert House, Depot Street, Catches Fire

Fire broke out in the house of C. Gilbert, 404 Depot street at 11:40 o'clock last night. Creston Maul, who happened to be returning home noticed the fire and informed the fire department. Nobody was home at the time of the conflagration.

The fire department got control of the fire before the flames reached the roof. The top stairway and a couple of partitions were burnt out. It is estimated the damage done will amount to $300. Some insurance was carried on the house. The origin of the fire is unknown.

BEARCATS START TO PERU TODAY

(Continued from page 1)

F. Lawrence, coach assured the College that the team would fight to the limit and that victory was to be expected.

Following the assembly the students went to the various class meetings which were held for the purpose of starting the sale of the student activity ticket for the season football games.

The sale of football season tickets will start Monday. The price to business men and other citizens of the town will be $1.50, and to students of the College, $1. These will entitle the holders to attend the five college games to be played on the local gridiron. These games will be played with Missouri Wesleyan, Tabor College, Kirksville, Springfield and Westminster.

The reserved seat section will be on the north side of the field. The price for single reserve seat tickets is fixed at 25 cents. A space, which will accomodate about twenty cars, has also been arranged. The price for this parking space is 75 cents per car. This space is near the reserved seat section. Car and single reservations may also be made for the entire season.

A solicitation of the business district of the city will be started Monday morning and two girls will make the canvass. Tickets can also be obtained at Kuchs Jewelry Store. Reserved seats can only be obtained at this jewelry store.

The ticket sale at the College will be conducted by the different classes and a thorough canvass will be made.

A few changes are being made in the seating arrangement on the football field. One section of the bleachers on the south side of the field have been removed to the north end of the field. This will be the reserved seat section. The south bleachers will be moved over on the track, and the entire field will be fenced off. The new arrangements will enable everyone to see the games without difficulty.

R. R. Company to Tile Out Big Pond at Barnard

(Barnard Bulletin)

The railroad will probably drain the big pond and mudhole that always shows up after each heavy rain on the right-of-way in Barnard, according to the roadmaster, P. J. Melady, who was in town looking over the situation and confering with the town board Monday.

After each rain the water accumulated in the low place near the stockyards making it unfit to be used as a shipping place, and making it decidedly unsanitary. The stock pens are mere hog wallows and the driveway from the scale house to the pens is always a sea of water and mud after rains.

The roadmaster promised a crossing over the track so as to enable the patrons of the Farmers' Elevator Co. to reach their coal sheds by means of the crossing instead of having to cross the bare rails.

Will Get Deed to Old Burying Ground

(Barnard Bulletin.

The Jackson graveyard, located southeast of Barnard on the Fred Breit and Huston Smith farms, will be cleaned and put in presentable order on Saturday, October 6, according to a call issued by John Bare for a meeting at the graveyard for that purpose. Mr. Bare has issued the call for people interested to come and help clear and clean up the graveyard and it is expected that the women will go and provide lunch at the noon hour at the grove nearby. They expect to meet between 8 and 9 o'clock.

The Jackson graveyard is owned at this time by Fred Breit and Huston Smith. Both men have signified their willingness, according to Mr. Bare, to give deeds to the land, which will be recorded in such a way that the ground will be preserved for a burying ground. The men will measure the ground after the cleaning and the deeds will be given following that, said Mr. Bare.

The first man to own the land on which the graveyard has been placed was John Brown, who was buried there about eighty years ago, according to Mr. Bare. Following him Arthur Jackson owned the land, and it is from this Mr. Jackson that the graveyard takes its name.

A large number of old settlers are buried in Jackson graveyard. Among the old settlers to be buried there are Uncle Billy Goforth, a Mr. Conrad Wash Jackson and his family, Harve Robison, Edward Goforth, the father of Wm. and J. C. Curnutt, Jonathan Roberts and many more whose names we were unable to get.

Dr. C. C. James Talks To Assembly On Her Life—W. C. T. U. Presents Book

The W. C. T. U. had charge of the program given at the assembly of the Washington High School this morning. The program was in honor of the life and deeds of Frances E. Willard, as today is the anniversary of her birth. She was the founder of the World's Woman's Christian Temperance Union.

The W. C. T. U. presented the High School with a book entitled "The Life of Frances E. Willard," which was written by Anna A. Gordon, present world national president of W. C. T. U., which is a story of the life of Frances E. Willard.

The Rev. Dr. C. C. James delivered an address to the students in which he presented the things that made Frances E. Willard successful in her work. He said her three principle qualities were eloquence, pathos and humor, all of which she was a master. Doctor James sad that she could talk to a crowd that had heard practically nothing of her ideals and would be deeply impressed. Doctor James' last reason for her success was the fact that she was well born, showing that we carry on the great qualities of our ancestors and that it is of real worth to have a strong line of ancestors.

At the close of the assembly a council of the W. C. T. U. was held where Mrs. R. L. McDougal was elected a delegate of the organization to represent it at a state meeting that will be held in St. Joseph October 2-5. Mrs. C. A. McCoppin was elected a county delegate.

THIS ONE IS HARD TO BEAT, THOUGH IT IS JUST ONE OF THE MANY INCIDENTS OF ITS KIND.

—By D. F. Add

A certain proprietor of a garage in this town inaugurated a service plan the other day which he thought was too good to keep secret; so decided to put it before 'em in the Forum. He had the news of his service plan put into an advertisement, and run in the Democrat-Forum.

The morning after the insertion, a representative of the paper called to see if the ad had brought any results; at the same time to see if he could not get permission for the re-insertion of the ad.

"Results, re-insertion," exclaimed the garage owner, "why I have been so swamped with work on account of that ad. that I hardly know how to take care of it. That ad again, nothing doing. However, here's an ad on something else."

Moral: The people appreciate having merchandising news put before 'em in the Forum.

Bethany

The meetings at the church are being well attended. The numbers are growing larger each evening and the interest and enthusiasm are growing with the numbers. The addition of a choir is a very valuable asset. We are sorry that this week will be the last for the chorister. We are in hopes some one else may be found to take his place. He has an appointment else where. Bro. S. D. Harlin, a former pastor at Bethany, but now at Bedford, Iowa has had a call to come to Butler, Mo. Bro. Harlin has many friends in this community, who are always glad to hear of his success. Zack Thompson has begun to make sorghum. He makes a good quality syrup. Any one who has cane to make up into sorghum will do well to see Mr. Thompson.

The vitalized agriculture class took a field trip Tuesday evening. They went to S. H. Davenport's and studied two types of cattle, the dairy type and the beef type. The things learned will be placed in their note books for future reference.

There are seven pupils in the seventh and eighth grades and four in the fifth grade making eleven in this class. These are bright industrious pupils and we are expecting some good work from them this school year. This of course is new work for the fifth grades but they are taking hold of the work with a will and we will not be at all surprised to see their note book work compare very favorably with the seventh grade books.

Our county superintendent, Mr. Leslie G. Somerville was with us the second quarter yesterday. We are always glad to have any one call on us who is interested in school work.

The superintendent, Mr. Somerville was well pleased with the responses of the pupils in the various classes and barring a few improvements he thought necessary found the school and premises in good condition. The school board have lately purchased over eleven dollars worth of books to be used in carrying out the course of study for the quarter. We are greatly pleased with the cooperation we are receiving from the school board and all other patrons. We predict a good school year for Singery.

Mr. S. H. Davenport is hauling his cane to Mr. Thompson's to have it made up into sorghum.

The Thompson's went on an excursion and papaw hunt last Sunday. They first went to the big lake and enjoyed a boat ride. They then had dinner. After dinner they drove over to the Missouri river. The return trip was made via Mound City, where they visited a while. There were two car loads of them.

Harvey Thompson went to Kansas City, Monday and drove a car back to St. Joseph. Harry Messick accompanied him. Each drove a car on the return trip.

Mr. Clifford Brickys and family went to the Duncan bridge and down below Filmore on an auto trip and papaw hunt last Sunday. They report a good time.

You can be free from Eczema!

WEIRD, creeping, annoying sensations — scratch — scratch — scratch—eczema and other skin eruptions, spoiling your complexion—causing you uncalled for embarrassment—anguish—ruling your temper. All because of impurities that are rampant in your system—because your red blood cells are dormant.

S. S. S. clears up skin eruptions through its power of cleansing the blood. Herbs and barks, carefully selected and scientifically prepared and proportioned, which make up the ingredients in S. S. S. are the most feared and dreaded enemies of skin disorders. Eczema, pimples, boils, blackheads and other skin diseases pack up and leave the system when S. S. S. sends new rich blood coursing through your veins.

Have a general house cleaning for your system. Let S. S. S. rid you of those impurities which tend to keep you in a run-down condition. Skin disorders are nothing more than billboards announcing that the system is "off color." S. S. S. is sold by the leading drug stores. The large size bottle is the more economical.

Flag Pole at Fourth and Main is Removed

Taken Down Last Night by Randall Construction Co. Under Orders Of City Administration

Officially Maryville is without a flag pole. The 80-foot flag pole that stood at the intersection of North Main and Fourth street was taken down last night by orders of the city administration for the reason that the pole was deemed unsafe and a continual source of danger.

Shortly after the business houses were closed last evening the W. W. Randall Construction Co. commenced work on removing the hollow iron pipe. The pipe was sawed partially around the bottom close to the pavement. Two of the men on the Construction Company, Roland Palmer and Hayden Owens, climbed part way up the pole at different times to fasten the pully ropes and guy wires. The pole was lowered to the west gradually and three hours after work began the workman left the scene.

This flag pole, which was erected eight years ago, during the administration of Mayor A. S. Robey, has for some time been the cause of considerable agitation, especially among the merchants for its removal. Ever since the pole was erected it has leaned to the west and Harve England says he has noticed within the last few days that it has been swinging towards the south. To erect the pole the merchants raised a subscription of close to $200 for its erection. For some time no flag has flown from the 80-foot pole, due to the fact that no one was secured to climb it and that the ropes would become tangled.

Mayor W. O. Garrett said this morning that a tortoise shelled rotund-shaped non-destructible glass bowl with a red light beneath, is to be installed at the place where the pole originally stood.

Clarence Headrick of Nodaway County sold 31 steers and heifers, 841 pounds, $8, on the St. Joseph stock market yesterday.

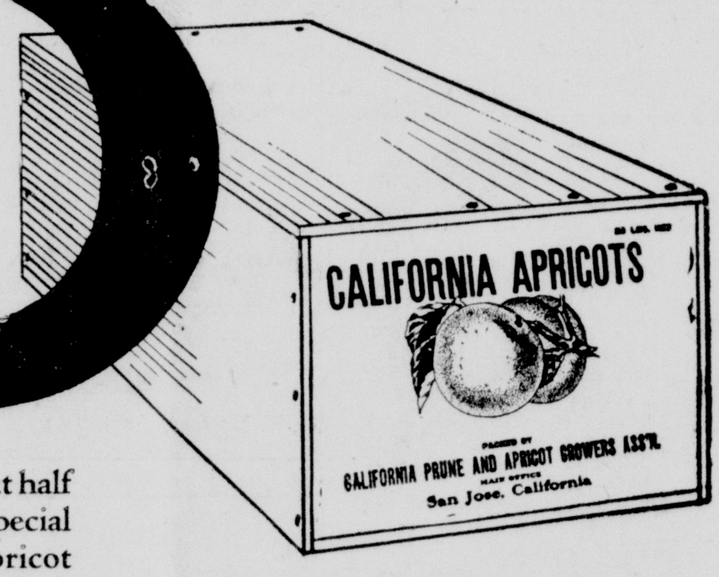
Lowest Price in Years!

California's CHOICE Dried APRICOTS

$3.67

25 lb. box
for 8 days only
starting Saturday



Here is your chance to get a fine luxury food at about half the price that apricots often sell for. Through special arrangements with the California Prune and Apricot Growers Association the stores listed below are enabled to sell for eight days only, a 25 lb. box of these fine dried apricots for this sensational price—the lowest in many years—due to the big 1923 crop of apricots.

These *Choice* nature-flavored apricots are "easy to cook and easy to eat." Serve apricot pie, stewed apricots, apricot jam and dozens of other apricot dishes. It's the biggest food value you ever saw—bar none. Buy a box or two Saturday, before they are all gone.

California Prune & Apricot Growers Association
Packers of Growers and Sunsweet Brands, San Jose, California
A cooperative association of 11,000 grower members.

Try them this way—

Dried Apricots—Stewed

Wash and cover dried apricots with warm water; let soak several hours, over night if possible. Place over slow fire, in water in which they were soaked. When hot, add sugar to taste and let cook, under boiling point, until juice has cooked down to a thin syrup and fruit is tender but unbroken. Use about one cup of sugar for each pound of fruit.

Dried Apricot Jam

Wash and soak apricots over night in warm water to cover. About one quart of water to each pound of fruit. In the morning set over a low fire (in water in which they were soaked) and bring to the simmering point, then measure, adding three-fourths measure of sugar for each full measure of fruit and juice. Cook very slowly until thick then store in sterilized jars. Add one-third quantity of cooked, pitted prunes if a compote is desired.

Send to us for a complete recipe folder prepared by the wives of the California Growers. It will show you how to enjoy the delights of better-than-fresh apricots the year 'round.
